The sun ALWAYS shines on South Mains,

What a fantastic day! Warm sunshine, beautiful
surroundings, delicious food, a wee refreshment

South Mains Barbecue Review 2024

Everyone had a great time at sunny South Mains. The food was exceptional with a fantastic selection of meats from the grill, beautiful salads and great home baking.

Huge thanks to everyone who helped out with the set-up, making food and cleaning-up.

Big thank-you to all of the contractors and neighbours of the farm, livery yard and friends who attended to make the event so enjoyable.
